- 8.2 Notwithstanding any other provision in this Agreement, the Parties acknowledge and agree that the Developer has no liability, and Council has no entitlement to the payment of the Development Contribution for any period after the expiration of the Term or termination of this Agreement.  - (d) if at any time during the Term Council does not use its annual allocated display time (or any part thereof) to display an advertisement, then that unused display time is immediately forfeited to the Developer and does not accrue for future use;
 - (e) Council must ensure that any advertisement displayed on the Digital Signage does not include the logo or branding of any third party, infringe any third party's intellectual property rights or breach any law or regulation, except that, subject to the Developer's prior consent, Council may include the logo or branding of a third party to identify it as a sponsor of the Council event being advertised;
 - (f) Council must provide, seven (7) days' prior written notice to the Developer requesting use of the Digital Signage for the purpose set out in clause 9.1. Upon receipt of the notice from Council, the Developer will, at its discretion and

11.1 Unless the matters specified in clause 11.2 are satisfied, the Developer is not to assign, transfer, dispose or novate to any person the Developer's rights or obligations under this Agreement.

11.2 The matters required to be satisfied for the purposes of clause 11.1 are as follows:

- (a) the Developer has, at no cost to Council, first procured the execution by the person to whom the Developer's rights or obligations under this Agreement are to be assigned, transferred or novated, of an agreement in favour of Council on terms that are no less favourable to Council than the terms of this Agreement;
- (b) the Developer has provided evidence to Council to show that the assignee, transferee or novatee is reasonably capable of performing its obligations under the Agreement; and
- (c) the Developer is not in breach of a material term of this Agreement.

11.3 Any purported dealing in breach of this clause is of no effect.

12. Council's Acknowledgement

12.1 Subject to clause 12.2, Council acknowledges and agrees that for the duration of the Term:

- (a) the payment of the Development Contribution and the allocation of display time pursuant to clause 9 is in substitution for the payment of any other fees, rates, charges or levies (Levy Payments) which Council could or may seek to impose on the Developer and its successors or assigns in respect of the Existing Signage and the Development (including any Signage erected or installed on the Land pursuant to the Development Consent);
- (b) Council releases the Developer and its successors or assigns from all liability for Levy Payments in respect of the Existing Signage and the Development (including any Signage erected or installed on the Land pursuant to the Development Consent); and
- (c) Council will not seek to impose levies to the same effect as the Development Contributions.

12.2 Nothing in clause 12.1 limits or fetters in any way Council's power to impose fees, rates, charges or levies under any Act (including but not limited to the *Local Government Act 1993*), regulation, statutory rule or similar which the Council could or may seek to impose:

- (a) on the owner(s) of the Land; or

13. No Fetter

13.1 Nothing in this Agreement shall be construed as requiring the Council to do anything that would cause it to be in breach of any of its obligations at law, and without limitation, nothing shall be construed as limiting or fettering in any way the exercise of any statutory discretion or duty.

13.2 For the avoidance of doubt, nothing in this Agreement shall be construed as limiting or fettering in any way the exercise of any statutory discretion or duty in relation to:

- (a) assessment and determination of the Development Application;
- (b) the exercise of Council's functions as a roads authority under the *Roads Act 1993*; or
- (c) the exercise of Council's functions under the *Road Transport Act 2013* including but not limited to the installation or display of prescribed traffic control devices pursuant to that Act; or
- (d) any other statutory power or functions relating to installing or erecting signs or devices with respect to traffic and pedestrian safety or the regulation of traffic and pedestrians generally.

15.2 The Parties agree that on execution of this Agreement Council will during the Term have a caveatable interest in the Land and may maintain a registered caveat against the title of the Land, for the sole purpose of protecting against assignment or transfer of the Land in breach of clause 11.1.

15.3 Council must at its cost, promptly consent (but no later than three (3) Business Days after the Developer makes a written request) to the registration of any dealing lodged (or to be lodged) by the Developer which does not deprive Council's right under clause 15.2 to be protected against an assignment or transfer of the Land in breach of clause 11.1.
